Looking after you
in your home

Individual Support Plans • Care in Your Own Home • Personal Care & Domestic Duties

What we do

In very simple terms we help you maintain your independence in your own home. We provide daily or weekly care to suit you and your needs.

How We do it

We begin by visiting our clients and listening to their needs and requirements. We will then explain the full spectrum of our services and create a support plan to suit you - from popping to the shops, to providing full day and night care.

What age groups

We care for all ages from 18 upwards.

Who do we help

We help the young and the elderly with a wide variety of requirements, from old age to disability, short term convalescence to long term care plans. Our plans are tailored to the individuals requirements, from home visits to hospital visits, social outings to washing and dressing.

Services & activities we provide help with

- Domestic duties
- Overnight care
- Carer support
- Accompany you to social events
- Support for hospital visits
- Promote support with social activities
- Promote independence
- Personal care
- Befriending service
- Shopping
- Assist medication
- Meal preparation

Many thanks

"Many thanks to you all for looking after Mum so well over these last 7 years. We have laughed and cried many times. I do not know what I would have done without you all".

Wonderful help

"At last a quiet moment to write this and to thank you for all your wonderful help, support and compassion throughout our recent sad time. Your team of ladies were very professional, understanding and caring"

A very big thank you

"To everyone at Bosworth Homecare who helped my mother, a very big 'thank you'. Your kindness, support and company made all the difference to her in her final three months. It enabled us to look after her at home which was very wonderful."
